

Application Serial No. 10/523,554  
Reply to Office Action of October 3, 2006

PATENT  
Docket: CU-4066

### REMARKS

In the Office Action, dated October 3, 2006, the Examiner states that Claims 1-12 are pending and Claims 1-12 are rejected. By the present Amendment, Applicant amends the claims.

In the Office Action, Claims 1-12 are rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claims 1-12 are indicated as having allowable subject matter.

Independent Claim 1 has been amended to make the language more clear, to remove functional language, and to distinctly define the relative terms. Claim 9 has been amended to provide the correct antecedent basis for the support feet. Other amendments to the claims have been made to correct minor informalities.

In light of the foregoing response, all the outstanding objections and rejections are considered overcome. Applicant respectfully submits that this application should now be in condition for allowance and respectfully requests favorable consideration.

Respectfully submitted,

December 28, 2006
